REFERENCE : (a) Memorandum for DD/R from DAD/OSA, dated 23 May 1963, subject: same (TCS-3321-63)
(b) Memorandum for D/NPIC from AD/OSA, dated 5 July 1963, subject: same (TCS-3323-63)
(c) Memorandum for C/SS/OSA from DAD/OSA, dated 8 July 1963, subject: same (TCS-3334-63)

1. The above references deal with certain aspects of the release of T-6 information to some [REDACTED] photo specialists. Although this problem arose originally within the DD/R, it seems events have overtaken this matter to the point where it is more properly in your province.

2. As I am sure you are aware, the DCI is not ready to release this kind of information to the [REDACTED] as was indicated in his statements concerning high resolution photography mentioned in the DDCI's memorandum of 15 July 1963 ([REDACTED]-4272-63). I would imagine that eventually we will release some of this photography to the [REDACTED]. However, now is certainly not the time.
